Tapestry

The children enjoy sharing their home observations with the class. Please continue to add all your news and adventures from home. Keep completing the Tapestry challenges.

Maths This term will involve lots more number learning (the children will continue to develop previously taught skills, learn new skills and a big focus will be on mastering their number understanding.) They will also learn about shape, space and measure.

$$\begin{array}{r} 1+1=2 \\ 2+2=4 \\ 4+4=8 \end{array}$$

English, spelling and phonics

In the Summer term, the children consolidated and learnt more phase 3 sounds. This term we are continuing to teach the children to apply these sounds when reading and writing sentences.

Wow Please share any wow moments from home with us for our wow tree. Children will now have yellow leaves.

We don't always go into book bags so please hand things to us at the door.

Reading Please have books in school on Fridays.

Rainbow words Word sessions take place throughout each week. Please continue to practise reading and writing your word lists at home. We have already seen a huge improvement with their learning. We will assess and give new words half- termly. (On some occasions this may be more frequent.)
