week 16.12.22—Break up

Autumn Term 2 : Shapes

This term Pre-school will be looking at the topic 'Shapes'. We will be exploring 2D shapes. We will be encouraging the children to identify the different shapes in the environment , to do this we will be going on a shape hunt!

Home Maths Challenge

Look for 2D shapes around your house and when out and about. Can you name them?

Can you draw a Circle?

We would love to see how you get on with this challenge. Please feel free to add any pictures on to Tapestry.

Our Topic book

Weather

Please ensure your child has suitable clothes now the weather is getting wetter and colder. Also, please remember to name your child's belongings such as coat and wellies.

Snack Money

Snack is £1 per week. The children will be offered fresh fruit and healthy foods each day.

Our PTM Values

We will be supporting your child at school to develop how they make relationships, build their self confidence and self aware-ness and support them with how they manage their feelings and behaviour. We will encourage the children to be respectful, inquisitive and have self belief like our school animals.

'WOW' vouchers

We would like to know about your child's successes at home, e.g ' sleeping in their own bed', 'tidying their toys away' etc. We will be providing your child with a leaf wow voucher for you to fill in and return. We will then share these with the children and hang them up on our tree display in the classroom.

Tapestry

We would love for you add pictures/ videos on Tapestry of your child We look forward to seeing what your child gets up to at home!

Reading at home

Your child will be given a reading diary and sharing book. Books will be changed on a **Friday**. We encourage you to read with your child and talk about the pictures, asking them what they can see etc. Your child will receive a special certificate when they have read 10 times!
